**Pet Supplies Expert | Strong Collaborative Manufacturing | Customer Needs Solver
| Pet Supplies Solution Provider**

Located in Quanzhou, Fujian, our factory was established in 2015. With a modern production base of approximately **2500 square meters**, over **130 employees**, **5 advanced production lines**, and **150 professional processing equipment**, our annual production capacity is close to **3 million pieces**. Over the years, we have focused on the production of functional and differentiated products such as pet apparel and harnesses.

Our diverse products primarily supply global pet brand merchants, importers, wholesalers, and Amazon platform sellers, and are exported to Europe, America, Japan, Korea, and other parts of the world. Our factory has a rigorous scientific production management system, where every step from raw material cutting, sewing edges, and post-processing to quality inspection and packaging is strictly controlled. We also have a professional R&D team that has obtained patents for various products such as apparel and harnesses, and has passed the SGS quality system certification.

Our mission is not only to provide the best indoor and outdoor equipment for each pet, making them both stylish and safe during their activities, but also to provide a comfortable and convenient user experience for pet owners, making each pet-related activity full of fun and warmth.
